

## Process flow chart of industrial grade lithium carbonate deep carbonization system

1. Carbon Lithium Agitator Tank 2. Carbon Lithium Slurry Tank 3. Carbon Lithium Slurry Pump 4. First-stage Reactor 5. level Discharge Pump 6. Second-stage Reactor 7. Second-stage Discharge Pump 8. Third-stage Reactor 9. Third-stage Discharge Pump 10. Fourth-stage Reactor 11. Lithium Hydrogen Carbonate Solution Tank 12. Fourth-stage Discharge Pump 13. Lithium Hydrogen Carbonate Pur Liquid Tank 14. Pressure Filter 15. Purified Liquid Pump 16. Heater 17. Decomposition Tower 18. Sodium Separation Cycle Pump 19. Conder 20. Condensate Tank 21. Draft Fan 22. Condensate Pump 23. Decomposition Liquid Pump 24. Decomposition Liquid High Tank 25. Centrifuge 26. Decomposition Maternal Liquid Tank 27. Maternal Liquid Pump
